ART 4 POLSON

“ART UNITING COMMUNITY”

OUR GOAL

Sandpiper Art Gallery and Gifts, a 501(c)(3) nonprofit, is proud to unveil our **Art4Polson** project initiative to boost public art in Polson. Our goal to enhance the city's cultural landscape by showcasing a variety of art in public locations around Polson. By actively engaging the community to embrace diverse artistic expressions and honoring indigenous art, we are excited to invite young artists, students, and local artists to participate. We believe art can positively impact lives by bringing people together and sparking inspiration.

OUR ART PROJECTS BEGIN....

Collaborating with the Polson City authorities and the Montana Department of Transportation, the start of our **Art4Polson** project begins with plans to adorn the city of Polson with vibrant murals and art-designed wraps for traffic signal boxes. Additionally, in the future, the Gallery intends to undertake larger projects, inviting local artists to paint murals across public buildings in parks and the Polson Golf Course.

WITH YOUR HELP, WE CAN ACHIEVE THIS

Raising funds is crucial to support and sustain efforts for our **Art4Polson** project. Sandpiper members are actively fundraising through donations, raffles, collaborations, and grants. We welcome your financial support with any tax-deductible donation amount for this community art project to ensure the accessibility of art to all and leaving a lasting legacy of creativity, unity, and pride.

HOW TO DONATE

Please go to Sandpiper Art Gallery & Gift's website: sandpiperartgalleryandgifts.com/art4polson

You may also mail a check directly to us, noting your donation monies are to be specifically dedicated to our **Art4Polson** project. Our mailing address is: P.O. Box 1163, Polson, Montana 59860.
